Becoming a Certified Tester

COURSE AND EXAM

To become a certified tester, the course is completed through Kansas State University. Poultry information and access to the course can be found at: http://www.asi.k-state.edu/research-and-extension/poultry/npip-testing-program/

How to become a Certified Poultry Testing Agent in Kansas

1. Watch the video Part 1 and Part 2
2. Complete the NPIP exam
3. Submit NPIP exam

APPLICATION

After taking and passing the exam, the Division of Animal Health will require notification at 785-564-6602. The application form to become a certified poultry tester can be obtained by mail, email, or online at: http://www.agriculture.ks.gov/ahforms

Page Navigation:

- Find section labeled **Large Animal Program Forms**
- Under this section find and click **Poultry**
- The **Pullorum Typhoid Testing Application** will be available here

CONFIRMATION

The Division of Animal Health will issue a Certificate that will include your pullorum tester number (i.e. – PT-136) once we have received:

1. Pullorum Typhoid Testing Application
2. Certification fee of $30
3. Confirmation of testing certification course completion

Annual fee for the Pullorum Typhoid Tester certification is $30 and yearly certification expires on September 30th. Testing supplies needs to be obtained through commercial sources.
